

**ON GUARD, INC.**  
**FREESTANDING PEDESTAL**  
Item # 911PED

**SPECIFICATIONS / FEATURES**

**Part I – General**

The intent of this document is to specify the minimum criteria for the installation and features of the Freestanding Pedestal (911PED).

**1.01 Summary**

The pedestal was designed to meet installation needs where no structure is available to mount On Guard's 911 Phone Kits.

**1.02 Description**

The Freestanding Pedestal is elegant in appearance. It is constructed of aluminum that is black powder-coated with the exception of the stainless steel base cover. This pedestal supports all On Guard Inc. 911 phone kits.

**1.03 Quality Assurance**

Manufacturer's Qualifications: Management of On Guard, Inc. has over 30 years experience in the telecommunications industry. The manufacturer shall provide technical assistance and support via their toll-free telephone number at no extra charge (1-800-242-5855).

**1.04 Warranty**

General: The warranty period shall be six (6) months from the date of purchase under normal use and service.

**Part 2 – Product**

**2.01 Construction/Features:** The Freestanding Pedestal shall, at a minimum, meet the following construction and feature specifications.

1. Optional mount elevations to meet ADA compliant codes
2. All corrosion-resistant aluminum or stainless steel components
3. Black powder-coated aluminum with stainless steel base cover
4. Measurements: 3" x 3" mass with a total height of 58"  
11" wide x 7 1/2" deep base  
8 3/4" wide x 6" deep hole pattern for anchoring (4 each 5/8" holes)
5. 4 each 3/8" leveling bolts
6. 3 each 1/2" conduit knockouts above base cover
7. Two 1/8" security hex key screws to secure base cover
8. Approximate weight: 11.8#
9. All hardware for assembly
